

Download Learning Workshop Guide

This peer learning guide identifies questions (and ideas) to guide potential facilitators of peer learning - and peer learners - through the stages in this process map. Blended or hybrid learning, an instructional delivery mode in which instruction is conducted partly online and partly face-to-face, has emerged as one. What is this workshop? GULT Professional Development Workshop is meant to provide an introduction, theoretical background, implementation guide, and resources ... Workshops are great for brainstorming, interactive learning, building relationships, and problem-solving. ... Planning a Workshop. Presentations
